How to use this correlation

Users of *Elements of Literature* will appreciate this convenient guide to grammar, writing, and communication skills supplementary instruction in McDougal Littell’s *Language Network*.

The correlation is organized by selection, so that as you work your way through the literature in *Elements of Literature*, you know exactly where to go in *Language Network* for skills instruction in common grammar concepts, writing skills, vocabulary acquisition, critical thinking skills; and for help with projects such as giving speeches, creating multimedia projects, interviewing, and much more.

Convenient quick reference

A few regular features in *Elements of Literature* can be supported with the same *Language Network* chapter or pages consistently throughout the program. As a convenient guide for you, these features are listed below in a quick reference, rather than listed with selections.

<table>
